2010 Team Placement Guidelines: CDYSL offers competitive play in the following age divisions for both boys and girls: U8, U10, U12, U13, U14, U15, U16, U17 and U19. Support for U11, U13 and U15 age divisions will be dependent upon the number and quality of teams committed.

- **U8 Team Placement**
 - Teams will be categorized first as experienced or inexperienced, then geographically where possible.
 - Refer to the CDYSL website under Rules for U8 Rules for Team Composition and guidelines for determining whether to request "Experienced" or "Inexperienced" placements.
- **Non Result Oriented (NRO) Play is in effect for all U8 and U10 teams in accordance with USYSA rulings. Requests from U8 and U10 teams to play in older divisions will NOT be approved.**
- **Under 12 Placement: All U12 play will be 8v8 in Spring 2010** Roster sizes for 8v8 teams may not exceed 16 players (14 players if competing in State Cup).
- **Divisional Placement for U-Ages 10 and Above:** Final placements for "Seeded" divisions will be based upon a variety of factors, including the information provided in your team profile and the total number of teams requesting play within each age group
 - **Age Groups with more than 6 divisions:** Divisions 1, 2 and 3 will be placed *competitively*. The remaining divisions will be placed geographically.
 - **Age Groups with fewer than 6 divisions:** *Only Divisions 1 and 2 will be placed competitively.* The remaining divisions will be placed geographically.
 - **U19 Age Group Placement will be determined at a special seeding meeting of U19 coaches,**
- **Geographic Placement:** Teams assigned or requesting geographic placement must understand that these divisions will vary in skill levels and travel distances from one age/gender group to another depending upon the exact number of teams signed up in each age grouping. While CDYSL attempts to create divisions that limit travel distances, we cannot guarantee that some teams will not have to travel farther than others. As always we will attempt to schedule long distance games either on weekends or on neutral fields.
