CDYSL COLLEGE SHOWCASE & SECTION II SOCCER ALL-STARS GAMES

The Capital District Youth Soccer League and Eastern New York Youth Soccer Association in cooperation with the New York State Public High School Athletic Association and Section II Soccer Coaches invite you to attend our annual College Bound Senior All-Stars games.

If you have attended before, your continued support for our players is as always greatly appreciated; we hope you can attend again this year. If you have not attended before, here's a chance to take a look at talented senior all stars throughout Section II.

Participants in the senior games are selected by their leagues and coaches to represent their conferences as well as showcase their individual talents against other all stars from the area. Many are hoping that this event will give you a chance to evaluate their ability and invite them to consider being a part of your soccer program next year.

SENIOR PLAYER PROFILES: Each year CDYSL distributes a booklet of profiles containing player information from area seniors who are interested in playing soccer in college. Over the years, you have told us that these profiles have made matching your soccer needs and academic programs with our players' soccer skills, academic skills and interests much easier.

An electronic preview of the player profiles and a list of potential participants will be emailed to those coaches who let us know they will be attending to help them plan their scouting activities for the day.

If you are planning to attend please, send us an email to confirm it at: CDYSLGAMES@cdysl.org
