

## **CDYSL Lightning Policy**

---

If teams are at or on the field playing, the USSF "Lightning Rule" requires play to be suspended for 30 minutes after the first sound of thunder and/or sighting of lightning and after any subsequent incidents for thunder and/or lightning. Referees/Teams are encouraged to complete the game after the 30 minutes wait if there is evidence that weather conditions are temporary. Reminder a game is considered complete if called after the 1<sup>st</sup> half.
